

Week
6!

CELEBRATING ME, CELEBRATING MATH!

Blow bubbles
at home..  ..outside or
in the tub..

Play the
Party Hat Game.

Continue to estimate
as a weekly family activity.

Remember
the more
you estimate,
the better
you become!

Walk to your
local library.

Look for
math in books!
Talk about the
math you find!

In my estimating jar, I put...

(draw a picture)

Could be...
seeds
leaves

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30
Going on a **Math Walk**... Take your **Math Bear**... What will you look for?...

Look for..

Red things
Count how many
you can find
in one minute.

At home
and outside,
we found..

(draw a picture)

Now, try blue.. green... yellow...

In my estimating jar, I put...

(draw a picture)

Could be...

rocks
shells
marbles

Look for..

Patterns

At home
and outside,
we found..

(draw a picture)

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30
Going on a **Math Walk**... Take your **Math Bear**... What will you look for?...

In my estimating jar, I put...

(draw a picture)

Look for..

Circles

At home,
we found..

(draw a picture)

Now, look for squares...rectangles... triangles...

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30
Going on a Math Walk... Take your Math Bear... What will you look for?...

In my estimating jar, I put...

(draw a picture)

Could be...

- socks
- mittens
- toys

Look for..

Numbers

At home we found..

(draw a picture)

Where else could you find numbers?

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30
Going on a Math Walk... Take your Math Bear... What will you look for?...

In my estimating jar, I put...

(draw a picture)

Could be...
cheerios
macaroni
smarties

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30
Going on a Math Walk... Take your Math Bear... What will you look for?...

Look for..

things
TALLER + shorter
than your bear

At home,
we found..

(draw a picture)

talk math range zone guess estimate big bigger biggest

down
up

discover

I can do it.

I can estimate and count.

I can find and play with shapes and solids.

I can measure.

I can make patterns.

I can talk about chances.

I can think math.

I can talk math.

I can do math!

predict heavy light full empty chances are probably
