

Western Education

MASTER TEACHER MENTOR "AWARD FOR EXCELLENCE"

The Faculty of Education at Western University has long acknowledged the vital role of field experience in the development of new teachers. The Master Teacher Mentor course is an important part of the initial teacher education program. Candidates are assigned to small mentor group, to meet throughout the program. Teacher candidates at the Faculty of Education benefit from experience that Master Teacher Mentors provide - through their engaging sessions, personalized approaches, and from sharing their many experiences as educators. Master Teacher Mentors, as exemplary role models, set standards of excellence for our teacher candidates.

To recognize this contribution, the Faculty of Education will select a Master Teacher Mentor of excellence with the **MTM Supervisor's Award for Excellence**.

Nominations may be made by:

- Teacher Candidates
- Teacher Education Office
- Faculty Members

The selection of recipients will be made by the Teacher Education Office.

COMPLETE THIS SECTION AND SEND, WITH YOUR LETTER OF SUPPORT, TO:

Program Coordinator, Teacher Education, Western University | practicum@uwo.ca

I nominate _____ email _____
for the Master Teacher Mentor *Award for Excellence*.
