Important Reminders for Students:

- Please review the MA & PhD Course Description document for pre- and anti-requisites prior to completing the program planning form with your supervisor. Once completed, including signatures, send this form as an attachment to the CSSAL Graduate Assistant (GAA) at CSSAL@uwo.ca.
- Submitting your course selections on this form does not guarantee you will get a spot in those classes.
- It is your responsibility to ensure you **enroll yourself in ONLY the courses indicated on this form**. If you need to change your plan for any reason, you must discuss this with your supervisor, get their approval, then **resign and resubmit a new version of this form noting any changes**.
- Before each term, an email will be sent to your uwo account, approximately two business days prior to the start of the registration period, letting you know how and when you can begin the online enrollment process through your Student Centre.

****Contact CSSAL GAA for more information about the application process and deadlines for special permission courses (course from another dept, IRR, etc.)****
